

1. HOME PAGE

Hero Section:

- Title: "Powering Your Future with Clean Energy"
- Subtitle: "Leading provider of innovative solar energy solutions in Tamil Nadu. Transform your energy needs with sustainable, cost-effective solar power systems."
- Buttons: "Get Free Quote" and "Learn More"

Stats Section:

- 3600+ kW Installed
- 200+ Happy Clients
- 8+ Years Experience
- 24/7 Support

About Preview Section:

- Title: "About Klester Tech"
- Description: "Committed to delivering innovative renewable energy solutions that combine efficiency, reliability, and long-term value."
- Company story: "Founded with the vision to empower communities and businesses with clean energy, Klester Solar provides end-to-end services covering every stage of a solar project — feasibility studies, engineering design, procurement, installation, and long-term maintenance."

Why Choose Solar Section (6 benefits):

1. **Reduce Electricity Bills** - Significantly lower your monthly electricity expenses with clean, renewable solar energy
2. **Environmental Benefits** - Reduce your carbon footprint and contribute to a cleaner, healthier environment
3. **Low Maintenance** - Solar systems require minimal maintenance with self-cleaning panels and durable components
4. **Renewable Energy** - Harness the abundant power of the sun - a truly renewable and sustainable energy source
5. **Increase Property Value** - Solar installations boost property values and provide energy independence
6. **Job Creation** - Support local employment and contribute to renewable energy awareness in communities

Call-to-Action Section:

- Title: "Ready to Go Solar?"
 - Text: "Join hundreds of satisfied customers who have made the switch to clean, renewable energy. Get your free consultation today!"
-

2. ABOUT PAGE

Hero Section:

- Title: "About Klester Tech"
- Subtitle: "Committed to delivering innovative renewable energy solutions that combine efficiency, reliability, and long-term value."

Company Story Section:

- Title: "Our Story"
- Content about company foundation, services, portfolio, and expertise with Tier-1 components

Mission & Goals Section (4 missions):

1. Promote solar energy to reduce carbon emissions
2. Provide accessible and affordable clean energy solutions
3. Enhance energy independence and sustainability
4. Educate communities about solar power benefits

Our Impact Section (4 categories):

1. **Economic Benefits** - Lower electricity expenses, strong return on investment, and asset value appreciation
2. **Environmental Benefits** - Major reduction in carbon emissions, cleaner air, and climate change mitigation
3. **Operational Benefits** - Reliable power supply, minimal downtime, and extended system lifespan
4. **Social Benefits** - Local job creation, renewable energy awareness, and alignment with corporate social responsibility

Company Details Section:

- **Address:** 54/8, TVR Complex, 1st Floor, Old Bus Stand Road, Perundurai, Erode, Tamil Nadu – 638052
- **GSTIN:** 33CCKPB0540E1ZC
- **Phone:** +91 819 000 2299, +91 868 100 2299, +91 868 200 2299
- **Email:** boopathy@klestertech.com
- **Commitment statement:** Company values and commitment to clean energy transition

3. PRODUCTS PAGE

Hero Section:

- Title: "Our Solar Products"
- Subtitle: "Comprehensive range of solar-powered products designed for homes, businesses, and industries"

Products Grid (6 products):

1. **On-Grid Solar Power Systems** - Grid-connected systems for maximum cost savings and efficiency
2. **Hybrid Solar Systems** - Solar plus battery storage for uninterrupted power supply
3. **Solar Water Heaters** - Eco-friendly and cost-effective water heating solutions
4. **UPS & Batteries** - Reliable backup power solutions
5. **Solar Street Lights** - Sustainable outdoor lighting for urban and rural applications
6. **Solar Monitoring Systems** - Real-time performance monitoring and analytics

Advanced Solar Technologies Section (6 technologies):

1. High-efficiency Mono PERC Solar Modules
2. Advanced String Inverters with real-time monitoring
3. Photovoltaic Solar Panels
4. Smart Grid Integration
5. Weather-resistant Mounting Structures
6. Smart Energy Management Systems

4. SOLUTIONS PAGE

Hero Section:

- Title: "Tailored Solar Solutions"
- Subtitle: "We deliver customized solutions that meet the diverse needs of residential, commercial, and industrial customers"

Solutions Grid (4 solutions):

1. **Residential Solar** - Affordable rooftop solar systems for homeowners
 - Benefits: Up to 90% bill reduction, 25-year warranty, increases property value, tax benefits
2. **Commercial Solar** - Solar solutions for offices, schools, malls, and institutions
 - Benefits: Operational cost savings, corporate sustainability, tax benefits, brand reputation
3. **Industrial Solar** - Large-scale projects for factories and mills
 - Benefits: Massive cost reductions, stable pricing, custom engineering, scalable designs
4. **Solar Farming** - End-to-end solutions for landowners
 - Benefits: Long-term returns, complete project management, maintenance included, land lease opportunities

Solution Process Section (5 steps):

1. Feasibility Study - Site assessment and energy analysis
2. Engineering Design - Custom system design and optimization
3. Procurement - Tier-1 components and equipment sourcing
4. Installation - Professional installation by certified technicians
5. Maintenance - Ongoing support and performance monitoring

5. PORTFOLIO PAGE

Hero Section:

- Title: "Our Project Portfolio"
- Subtitle: "Showcasing our successful solar installations across residential, commercial, and industrial sectors"

Featured Projects (2 main projects):

1. **5.4 kW Residential Solar System**
 - Capacity: 5.4 kW | Investment: ₹3.5L | Savings: 85%
 - Complete on-grid solar installation designed using SketchUp
2. **600 kW Spinning Mill Project**
 - Capacity: 600 kW | Investment: ₹3.2Cr | Savings: 70%
 - Large-scale solar rooftop and ground-mounted installation

Additional Projects Gallery (6 projects):

1. Commercial Office - 25 kW
2. Educational Institution - 50 kW
3. Residential Community - 100 kW
4. Manufacturing Unit - 365 kW
5. Solar Farm - 1 MW
6. Hospital Complex - 75 kW

Impact Statistics:

- 3600+ kW Total Installed
- 150+ Projects Completed
- ₹5Cr+ Total Investment
- 6000+ Tons CO₂ Saved

6. CONTACT PAGE

Hero Section:

- Title: "Get In Touch"
- Subtitle: "Ready to start your solar journey? Contact our experts for a free consultation and customized quote"

Contact Form Fields:

- Full Name, Phone Number, Email (required)
- Property Type (dropdown: Residential, Commercial, Industrial, Agricultural)
- Monthly Electricity Bill, Available Roof Area
- Additional Requirements (textarea)

Contact Information:

- **Office Address:** 54/8, TVR Complex, 1st Floor, Old Bus Stand Road, Perundurai, Erode, Tamil Nadu – 638052
- **Phone:** +91 819 000 2299, +91 868 100 2299, +91 868 200 2299
- **Email:** boopathy@klestertech.com
- **Website:** www.klestertech.com
- **GSTIN:** 33CCKPB0540E1ZC

Business Hours:

- Monday - Saturday: 9:00 AM - 6:00 PM
- Sunday: Closed
- 24/7 Emergency Support Available

Why Choose Us Section (3 reasons):

1. **Fast Response** - Quick quotes within 24 hours
2. **Expert Support** - Dedicated team of solar engineers and project managers
3. **Ongoing Service** - Long-term maintenance and performance monitoring
